Description

Lakota is a very attractive well put together 8 year old 15.1 hands APHA tobiano/overo gelding. This is a super nice well trained gentle gelding. Has an easy one hand neck rein, moves off leg and hand cues with ease. He has a nice jog, will lope out on cue, takes his leads and has a good stop, back up, side pass and turn around. He is user friendly to ride and be around. This horse has been used extensively on the trails and the ranch and has been shot off of. Lakota is very settled and solid to ride around our busy streets and the steep rocky trails and mountains as well. In the urban environment he is un concerned about the fast passing vehicles, bicycles and the barking dogs that are running the fence line. Out on the trails he will lead or follow, ride quit in a group and goes out alone. He crosses our creeks, trail bridges, downed timber and logs and goes anywhere we point him without hesitation. He is sure footed in rocky terrain and is an absolute pleasure to ride out anywhere. We think he would do well in many different events from western dressage to trail trials, hunting or mounted shooting and ranch work or simply take him out to the trails and ride a good one. This is a really nice gelding in the prime of his life. He is 100% in every way safe sane and sound. Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
