## Description

Wade is a really cute thick made 11 year old 14.3 hand gentle dun gelding. He has good bone, nice big feet and is built to last. Very friendly, good natured and fun too ride. Easy one hand neck rein and moves off light leg and hand cues. Very smooth traveling and is a comfortable horse to ride. He takes his leads, has a good stop, backs with ease and will side over to open and close the gates. Wade is and outstanding mountain trail horse and equally as good in our urban environments. He could care less about the fast passing vehicle, trucks, motorcycles and bicycles and the neighborhood dogs are of no concern to him. This is a really fun trail horse and has the stamina to go all day. He handles the steep rocky terrain like a mountain goat and is very sure footed. He will lead or follow, rides in the middle and is ok with larger groups. He will also go at it alone. Crosses the water, trail bridges and downed timer, carries the flag and crosses the tarp. Wade has a good work ethic and goes wherever we point him. He is happy to do whatever we ask. He stands quiet for grooming and tacking and is good for the farrier and bathing. We think he would do well in drill team, gymkhana or endurance but sure enough would be happy to just cruise the trails. Loads and hauls well. He probably would not be a good fit for a beginner rider as he is responsive and has some go. 100% sound with no vices. Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
