Description

Boxcar is an extremely gentle and very well put together AQHA 3 year old, 15.2 Hand gray gelding. He is as good natured, friendly and gentle of a horse you could ever ask for. In the arena he is very smooth traveling, will collect up, has a nice sitting trot and will lope out on cue always picking up the correct lead. Good stop and will back soft and side pass with ease to open and close the gates. He carries the flag, tarps and such and is really easy going yet can be handy when asked. This horse is very solid and settled to ride out around our busy neighborhood streets as well as out on our rugged mountain trails. He navigates our steep terrain very well. Will lead, follow, ride quietly in a group or out alone. Crosses the river, creeks, downed timber and trail bridges. He is sure footed and is a pleasure to trail ride. He is equally as good to ride around our neighborhood. Boxcar is very solid riding down the streets with fast passing vehicles, road construction, farm animals and all of the things that we encounter when riding in our urban environment. This is an exceptionally good minded gelding with a bright future. He has been in good hands his whole life. He is ready to finish how you choose and would make a great trail horse, show horse or ranch roping horse. He has no bad habits or vices does not get fresh with time off is 100% safe sane and sound and is good about everything we ask of him. We can't say enough good about him! Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
