## Description

Elvis is the whole package, one-of-a-kind gelding that is gentle for everyone and is one of the first horses we grab for our friends and family to ride when they come to visit. His friendly personality and cool demeanor compliment his beauty and size so well. He rides both English and Western and is a more woah than go ride making him ideal for riders who enjoy slow and pretty. Elvis has been shown in the Hunter Under Saddle with good results and could easily continue showing in the hunt seat or in the trail. He has a smooth, elegant way of traveling that is sure to get you noticed wherever you go. Out on trail he is point and shoot and will go wherever you ask. We have had him in steep, rugged terrain with lots of downed timber and he always stays balanced and places his feet with care. He is an absolute gem to have in the barn and makes friends with all the other horses and humans with a special way of making you feel good and brightening your day. Easy keeper with excellent ground manners, is clean and quiet in a stall, easy to catch in turnout, loads and hauls easy and is good for the farrier. He is 100% sound in every way with current X Rays on file. Zero maintenance, vices, or any other undesirable issues or ailments of any kind. \$30,000 Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
