

**8 YEAR OLD 14.2 HAND APPY GELDING**

**\$ 100,000**

## Description

Cinnabun is a very cute, well-made grade 8 year old, 14.2 Hand Appaloosa gelding. This is a gentle and user friendly horse to ride and be around. In the arena he has a good one hand neck rein and a slow and smooth jog. Takes his leads and has a good stop. Will back and side pass with ease for opening and closing gates. Cinnabun has been used by the grandkids in 4-H shows, breakaway roping and out on the trails. He's been good to ride around our busy neighborhood streets and has handled all that we have encountered with no fuss. Cinnabun is also an outstanding mountain trail horse. He is a pleasure to trail ride on and will happily lead, respectfully follow in any position of a group and will go out on his own as well. He navigates our steep and rocky terrain like the solid citizen that he is. Crosses the river, creeks, downed timber and the trail bridge. He is very sure footed and quiet minded to ride out anywhere. Cinnabun is a smooth traveling gelding that's an easy keeper and is a get along kind of guy out in the pasture. He has no vices, bad habits or issues of any kind. Good to tie, tack, bathe, shoe, load and haul. This is a very kind and good natured gelding that would make a great addition to your herd and family. 100% safe, sane and sound. Only problem is our grand daughter LOVES this horse and has taken him over. He's really not for sale although She said she will sell him for \$100K. :)
