Description

Bella is a beautiful AQHA 2023 Buckskin filly with great conformation, the prettiest baby doll head and a very kind and good natured disposition. Her sire TRIP KINGS WIN is a 100% color producer having one colt that tested Homozygous for the double black gene which are extremely rare and only a few registered in the AQHA. Her dams sire CHEX TWO BUCKS is a great working cow horse, has competed at the top levels and was a SuperHorse contender. Bella would make a great performance horse prospect or will most definitely make a great all around riding horse for several disciplines and if you decide to breed her further down the road she will most likely be a color producing broodmare that will throw beautiful colts with good bone, foot and ability. This filly is very gentle, is classy moving and athletic. She is an absolute pleasure to handle and work with. Bella has a calm and confident disposition. She has been flagged and properly desensitized and is ready to be saddled and started. She leads and ties well. Is good about picking up her feet, is good to blanket, bathe, load and haul. Bella will mature to be a thick made drop dead gorgeous mare with good bone and foot. Currently standing 14.1 hds and growing. She has no stall vices or bad habits and is going to be one heck of a nice horse. 100% sound.
