Description

Here is a beautiful AQHA 6 year old 15.2 Hd golden buckskin gelding with lineage that goes back to Rooster, aka GALLO DEL CIELO and PALO DURO CAT just to name a few. This horse was bred with intent and it shows! Rolex is a classy looking, smooth traveling and very gentle horse. He rides good in and out of the ring and is an absolute pleasure to ride and work with. In the arena, he will collect up well, has a good one hand neck rein, a very smooth jog and lope. Will lope out on cue, take his leads and has a good stop. Will back soft, has a decent turnaround. He will side pass with cadence and ease to work the gates. Rolex has logged lots of outside miles and is safe and solid to ride out anywhere. On the trails, he navigates, rough, steep terrain very well. Picks his way through the rocks with precision and ease. Crosses the river, small creeks, trail bridge, downed timber, tarps as well as other trail obstacles. He will happily lead, respectfully ride in any position of a group as well as out on his own. Rolex is equally as good in urban environments. He handles everything we ride past in our neighborhood like it's just another day at the office. He is unconcerned about all the fast passing vehicles as well as the mini farm animals and the neighborhood dogs that always run up at us. Rolex has been well started on roping the slow steers and is gentle every day. He stays gentle with time off and has a very friendly personality. This is a talented user friendly gelding that would fit a lot of folks. He's user friendly to ride for a beginner but is also handy when needing to get a job done. 100% sound, sane and safe with good conformation and GREAT LOOKING! He will get you noticed! Check out his video! This is one cool dude!
