
15.1 HAND BAY GELDING - PHANTOM

\$ 9,500

Description

If you are looking for a super smooth riding gentle quiet minded horse you should take a look at phantom. He stands 15.1 and is bald faced with stocking legs and 2 blue eyes. In the arena he has a good one hand neck rein, a super smooth slow jog and will lope out on cue. He takes his leads and is smooth traveling in all gaits. Good stop, backs soft and will collect up, side passes with ease to open and close the gates. This is a very calm and good natured gelding that's just wants to please. He is rock solid to ride out anywhere. He is sure footed in steep rocky terrain, crosses the rivers, bridges, leads or follows, rides out alone or in a group. Phantom is also dependable to ride around our busy neighborhood streets as well. He could care less about cars, trucks, motorcycles and bicycles passing by us. He is also unimpressed with the charging barking dogs we frequently encounter. He has worked the feed lot and done all the ranch chores. Gets along with the other horses in the pasture and hops right in the trailer. The vet looked in his mouth and aged him at 12-13 years old. Phantom is the kind so many of us want and need. 100% safe sane and sound. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
