Description

Are you looking for a rock solid super gentle yet handy and friendly horse? You just found him! Drake is puppy dog gentle and is a horse you can put grandma on and know that she will be safe. He is a super cute 14.2 hand 12 year old bay gelding that's kind and good natured. Well-bred and is the right size for easy on and off. In the arena drake has a comfortable jog and lopes out on cue always taking the correct lead. He has a good stop, does flying lead changes, backs soft and moves off leg or hand cues with ease. He has a one hand neck rein, rides bare back, carries the flag and goes right thru town with confidence and ease. He side passes over to open and close the gates or to climb up anything for easy mounting and dismounting and will open and close the gates as well. On the trails he is solid citizen. He will lead or follow and rides quiet in a large group and will got out on his own. He crosses the tarps, trail bridges and downed timber, picks his way thru the rocks like a pro and goes over around or thru anything we ask with no fuss and no hesitation. He is sure footed in the steep terrain and equally as good in the busy streets where barking dogs, cars, trucks buses and such are of no concern to him. He loves people and loves attention and is a really easy keeper. He will greet you wherever you find him ready willing and able to go do whatever you have planned. This is the kind that we search high and low for and the kind we all need! He is safe sane and 100% sound with no bad habits. This is a great horse! Watch the video! Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
