### Description

Zima is a 15.3 hand 14 year old APHA solid colored palomino gelding with lots of shape and good foot and bone. This horse loves the trails and is rock solid everywhere I take him. He will pick his way thru the rocks, goes up, down around or thru anything we have asked of him. We have mountain bikes coming by on our mountain trails and he does not blink at them. Leads or follows, rides in the middle and will go at it alone. He will go right thru town with no fuss as the trucks cars and buses are passing by and the blowing tarps in the wind are of no concern to him. He carries the flag, crosses the tarp and does led changes. Nice stop, neck reins easy and does a good lead departure. As you will see in the video he is a little sticky on his right lead but is getting better all the time. Rides bridle-less and will hop in the trailer and stand quiet for the farrier and bathing. He was used on a ranch before coming to California and has done all the ranch chores including doctoring, gathering and shipping cattle. Gets along well with the other horses in the pasture. 100% safe sane and sound. Sold! Sorry you missed him. We have others so feel free to give us a call and see if we have a match for you! Happy trails!
